

# Russell Hobbs

## Description

Russell Hobbs Replacement Filters

## Model No:

RHRWF3

## Features:

- **Ceramic Dome** - Ceramic dome removes rust and sediment particles of 0.3 microns and larger .
- **Carbon Filter** - Activated carbon removes chlorine, trihalomethanes (as a result of chlorination, which is associated with cancer), organic chemicals, unpleasant tastes and odours, creating fresh and clean purified water. The filter contains bio-ceramic infra-red balls which activates water molecules in our bodies.
- **Mineral Stones** - Contains germanium which is health giving and cancer preventing. Continuously releases more than 20 kinds of ionised minerals and adjusts the pH of water to a mild alkaline.

### Item Details

Product Code: 856134

Product Dimensions: 230x220x150mm

Weight: 3.25kg

Barcode: 6001498004932

### Carton Details

Dimensions: 46.5x46.5x44cm

Weight: 13.5kg

Qty. per Carton: 12

Carton Barcode: 16001498971132
