Features

Convenience designed to fit your life

11 power levels and programmable multi-stage cooking allows for endless possibilities to cook or heat a variety of food. With just a touch of your finger, you can easily activate one of the 6 auto menus. Furthermore, its elegant mirrored front will add to the stylish look of your kitchen.

Precision display

The Digital LED display with clock gives you the power to plan your time exactly while waiting for your food to heat-up. There is no more need to guess when you think it might be ready.

Spacious and efficient interior

The spacious interior with the large 288mm glass turntable allows you to place big plates or bowls into the microwave, perfect for when you are entertaining big crowds.
